KING HOUSE
New Castle, New Castle County, DelawareOwner: William M. KingDate of Erection: Early 19th CenturyPresent Condition: FairNumber of Stories: Two and one half with cellarMaterials of Construction: Frame on brick foundationOther Existing Records: Offices of Recorder of Deeds
and Register of Wills of New Castle County.

Additional Data: This is a fairly common type of clap board covered frame building, with dormers in roof, and a rather narrow porch in front, in this instance overlooking the river. The jigsaw decorations of gable barge-board and wood variance of porch are interesting, and give character to an otherwise plain exterior.
